<p>1. President Bush on Tuesday unveiled a national strategy for homeland security that includes proposed standards for state driver's licenses and new technology to detect chemical, biological and nuclear weapons. "We've engaged the law enforcement community around this country, but there are also certain things we can do within this country outside of law enforcement that would be a deterrent to an attack."</p> <p>This plan lists various domestic terrorist threats and ways to prevent, pre-empt or respond to them. (25%)</p> <p>2. Health officials in Kaohsiung continued their efforts to reduce the mosquito population yesterday as the number of confirmed cases of dengue fever this year rose to 290.</p> <p>The figure marked a sharp rise from the 201 cases that were reported last year and raises the possibility that Taiwan may be facing a dengue fever epidemic, according to officials at the Department of Health's Center for Disease Control.</p> <p>Officials warned those with symptoms such as headaches, cramps, rashes, or muscle and back pains should seek medical attention immediately.</p> <p>The Center for Disease Control also moved to impose fines of up to NT\$150,000 on residents who fail to eliminate areas in their households where mosquitoes could breed.</p> <p>(25%)</p> <p>3. 中華女籃隊昨天面對實力平平的馬來西亞隊，終場以 74 比 27 輕取客隊 47 分；今天下午 3 時半將與日本女籃隊交手。休兵一天的中華男籃隊，今晚 7 時 30 分將和高大的俄羅斯隊碰頭，力爭在本屆賽會的第一勝。(25%)</p> <p>4. 大多數人在德國念書，只有一個重要的目標：取得學位。但德國有這麼多的大學，不同的科目及領域，不同大學也發展不同的重點，所以大學的學位也不盡相同，還真有幾分複雜。就口試的內容而論，一般測驗碩士生的廣度，必以修過的三科(一主修兩輔修，或是兩主修)都要測驗。(25%)</p>
