III. Reading Comprehension: 20%

Read the passages carefully and choose the best answer to each of the questions.

(A) People who like to dance know that there are many types of dances to learn. One type of dancing that is popular today is break dancing. Break dancing began in the 1970s in the Bronx, New York. It is called "break dancing" because dancers originally performed during breaks in deejays's music. Movements in break dancing include spinning on the head, jumping from the knees to the toes, and doing pantomime. Break dancing was most popular during the 1980s, and during this time stars such as Michael Jackson performed this style of dancing in music video. Many movies were made during this time emphasizing the free-form moves involved in break dancing. Today, pop bands often perform break dancing moves on stage, and many teenagers around the world enjoy giving it a try with their friends.

41. Which statement below is true about the passage?

- (A) Break dancing started in Washington D.C.
- (B) Many break dancers spin on their heads.
- (C) Nobody does break dancing anymore.
- (D) Break dancing began in the 1980s.

42. A good title for this passage would be _____.

- (A) Have Fun Ballroom Dancing
- (B) The Gangs of New York
- (C) Break Dancing is Dangerous
- (D) A Brief History of Break Dancing

43. Which of the statements below is probably true?

- (A) Before break dancing became popular, dancers didn't spin on their heads.
- (B) Teenagers would rather learn jazz dancing than break dancing.
- (C) Break dancers don't like to be friends with DJs.
- (D) Michael Jackson only likes to tap dance on Sundays.

(B) Depression affects millions of people each year. However, there are lots of ways to help yourself feel better. Exercise is a great way to start. The endorphins released from physical activity give your body a sense of well-being. Endorphins raise your spirits in the short run and provide a sense of accomplishment in the long run. Also, sunlight can affect how you feel. Sunlight causes the level of serotonin, a chemical mood enhancer produced in your brain, to rise. Some doctors believe that food also affects your mood. If you eat too much junk food, you may feel down in the dumps. Sooner or later, everyone feels low, but don't worry! Be exercising, getting sunlight and eating right, you are sure to feel better in no time.

44. According to the passage, what happens to your body after you exercise?

- (A) Your body releases special endorphins.
- (B) You feel very tired and want to take a nap.
- (C) Your level of serotonin increase.
- (D) Your body wants to eat junk food.

<p>45. What causes the level of serotonin to increase in your brain?</p> <p>(A) A long nap increases the level of serotonin in the brain. (B) Serotonin increases with the more junk food you eat. (C) Exposure to sunlight causes the level of serotonin. (D) Serotonin increases with the amount of exercise you do.</p> <p>46. How might you feel after eating junk food?</p> <p>(A) You may feel like lying down to sleep. (B) You might feel happy and excited. (C) You might feel like exercising. (D) You may feel a little sad or low.</p> <p>47. Which of the following does not make you feel better according to the passage?</p> <p>(A) sunlight (B) sleep (C) exercise (D) healthy food</p> <p>(C) Two middle-aged men are walking down the street after spending a few hours drinking together with friends. You notice that they are holding hands. How would you react? Would you think these men are gay? Cultures around the world differ in their tolerance for men showing affection to each other. In South Korea, the scene described above would be normal. Men, especially of older generations, often hold hands or walk with hands on each other's shoulders. This is a way of showing friendship. In the United States, on the other hand, two men walking hand in hand would likely be interpreted as a gay couple.</p> <p>American men are so uncomfortable with showing affection to each other that they often make jokes when they have to hug each other. The humor releases some tension. While the National Organization for Women sells coffee mugs that proclaim, "Real Men Hug," there are also novelty T-shirts which insist, "Real Men Don't Hug." Both messages are trying to influence social opinion about male affection.</p> <p>48. What is the purpose of coffee mugs that say "Real Men Hug"?</p> <p>(A) To make fun of affectionate men (B) To display cultural understanding (C) To support gay rights (D) To say it is OK for men to show affection</p> <p>49. Two men walking hand in hand in the US ____.</p> <p>(A) are surely gay (B) might be assumed to be gay (C) must be from South Korea (D) are only seen as close friends</p> <p>50. Generally, what can be said about men showing affection?</p> <p>(A) There are universal standards of behavior (B) There is little misunderstanding between cultures. (C) What is not OK in one culture may be OK in another. (D) Most cultures accept a wide variety of behavior.</p>
